

BlueCross BlueShield of Montana

We're Here to Help Get Coverage During Uncertain Times

Our top priority is your health and well-being.

At Blue Cross and Blue Shield of Montana (BCBSMT), we are committed to helping you have access to the care you need.

If you are losing health care coverage through your employer, you may qualify for a special enrollment period to enroll in an individual or family health plan.

We have affordable health care plans for you and your family.

- Affordable Premiums
- Low Copays
- \$0 Preventive Care

Here are some of the benefits you can expect with a BCBSMT plan:

- Preventive Care (in person or telehealth)
- Behavioral Health Coverage (in person or telehealth)
- Prescription drug coverage
- Flu tests, shots and immunizations

And other coverage benefits

Health care coverage protects you and your family from unexpected medical costs. Let us help you explore your choices. Find a plan that's right for you at selectbcbsmt.com.
Enroll by April 30, 2020 for coverage starting May 1, 2020.
