## Preferred pharmacies near you

Recently, you filled a prescription at <Pharmacy XX>. Use a preferred pharmacy the next time you fill a prescription and you could save more money.

Save up to \$84 per year per Tier 1 medication by using a preferred pharmacy

## Prescriptions cost less when you use a preferred pharmacy.

We want you to get the most from your plan benefits, so in case you weren't aware, you can get the same prescription for less at one of our many preferred pharmacy locations in your area.

### Get even more value and savings from your plan

There are no additional steps needed. Simply stop by a preferred pharmacy like you would any other location, show your Blue Cross and Blue Shield of Montana insurance card and get your prescription filled. Because you're a Member, you'll receive the same medications but pay less.

### It's easy to switch and save

#### 1. Select a preferred pharmacy

For your convenience, three preferred pharmacies near you are shown in this mailing. Many others are also available.

To find a different preferred pharmacy near you, visit [www.bluemembermt.com/BAM2](http://www.bluemembermt.com/BAM2) and log in to Blue Access for Members<sup>SM</sup> or call the number listed on your Member ID card.

#### 2. Tell your doctor

Call your doctor's office and let them know which preferred pharmacy location you've chosen. That way, they can update their records and send future prescriptions there.

#### 3. Pick up your prescription

Stop by when your prescription is ready and pay less because you're a Member.

### Thanks for being a Blue Cross and Blue Shield of Montana Member

If you have questions about your plan or need help finding preferred pharmacies, please don't hesitate to contact us. We want to help you stay healthy and get the savings you deserve.
